

I am honored to serve as the 2013-2014 President of the Junior League of Galveston County. As a wife, mother of 4 young children and owner of a small business, it is easy to feel over committed; however, I accept this responsibility to serve such a wonderful organization.

The quote, "You are only as good as the people you surround yourself with," holds especially true for me this year. The members of Junior League of Galveston County are amazing, and their leadership and dedication to making our County a better place to live and work encourages me to get more involved and make a difference every day.

This year, our Board of Directors consists of Angie Brown- President Elect; Hayley Hardcastle- Membership Vice President; Sarah Sullivan- Fund Development Vice President; Lynsey Ginsberg- Community Vice President; Stevy Curbow- Communications Vice President; Elizabeth McCarty- Finance Vice President; and Rachel Keehn- Secretary. Our Board has experience, not only within our League, but also with other non-profit and charity organizations within our County and I know anything is possible through their hardwork and dedication.

The Junior League of Galveston County is a unique charity organization. The County we serve is large and its needs are very diverse. While it would be easy to focus on only one cause each year, we are blessed to have many strong and dedicated members that yearn to fulfill more than just one mission. We are pleased to support 8 wonderful community projects each year, not only through financial contributions, but also through many volunteer hours by our dedicated members.

We encourage our community to learn more about our League. We invite you to join us in our mission and we hope that you will continue to support us as you have for 87 years.
